Mr. Grady Silas, left, and Mr. John Siggers, right, city employees, look over the toys to be distributed.

Toys Arrive For Christmas

Operation Santa Claus toys were presented to officials of Wiregrass towns yesterday to be presented to children of the area.

Mr. Grady Silas, left, and Mr. John Siggers, right, city employees, look over the toys to be distributed.

Seven Baptized At County Jail

Seven inmates at the Coffee County Jail were baptized last Saturday morning by Reverend Quillian Carver of Newton. A livestock watering trough had been moved into the jail yard for the religious ceremony.

Courthouse To Close For Holidays

The Courthouse in Elba will be closed on Thursday, December 23, and Friday, December 24, for Christmas.

Mr. Grady Silas, left, and Mr. John Siggers, right, city employees, look over the toys to be distributed.

National Security Employees Enjoy Annual Christmas Party

On Saturday night, December 11th, one hundred twenty-five employees and guests of National Security Insurance Company enjoyed the company's annual Christmas Dinner at the Elba Elementary School Cafeteria.

Mr. Grady Silas, left, and Mr. John Siggers, right, city employees, look over the toys to be distributed.

Holley Says Driver Test To Remain Here

The Alabama Department of Public Safety recently announced that the driver's test for securing new driver's licenses would no longer be given in Elba.

Commission - Miller Clash On Road Projects

Commissioner Don Smith made a motion to reject all bids received for the three roads (thus, paving the way to seek state aid), and the motion was seconded by Bennie Beckham.

Band Concert Planned Tonight

The ELBA EXCHANGE BANK and THE PEOPLES BANK will be closed at 12:00 Noon Friday, December 24, for Christmas.

BRAINSTORMS

With Ferrin Cox

Well the fellow in Utah is holding true to form. Now he is demanding that the State of Utah release him from jail because they didn't execute him within sixty days. I guess the fellow needs to be out so he can complete his book, movie or whatever. Now this man may be a killer, but he sure has a smart mind. He has sat in that jail and outsmarted the courts every way he has turned so far. Where he may have messed up however was in allowing his mother to enter a court suit in the case. It is terrible, but we all know his name is Gilmore but I wonder how many besides me have no idea what the names of the survivors of his victims are named, or if the small children are boys or girls?

At least one local dikehead was still hoping that the electoral college would not elect Carter as president. However on Monday of this week he lost his last hope, cause they voted for Carter as promised.

We received an unsigned letter on Monday of this week. It concerned the city giving gifts to employees at Christmas. The letter writer was correct, the letter of the law says it is against the law to give gifts with tax money. In the fall of 1975, City Clerk Jack Prescott checked with both the Attorney General's office and with the Alabama League of Municipalities on the matter. Both told him that it was against the law but... almost every city was doing it every year and as long as the gifts were reasonable they could see no potential problems. Another way to look at it is that a person is hired at a given amount per hour plus \$10.75 at Christmas.

Laws are made to protect the taxpayers and in cases where honorable people would take advantage of the public are greatly needed but... laws should be applied with common sense. The Christmas gifts are an example. The law was probably put in to prevent great gifts to draw personal favor from someone and not to prevent \$10 Christmas gifts to people who catch the flu from voters all year long. Also the law says the city can sell nothing valued at over \$50 without taking bids yet the City of Elba recently sold several thousand dollars of plywood without formal bids. Knowing a little bit about the climate in the pulp industry, I just can't fess when Elba was paid \$5.00 a cord for hardwood, I sat and listened last month as a logger and a buyer both cried because a certain paper mill had said NO we will not take anymore hardwood from you until further notice - and no other mill would either. ELBA FOLKS MAY BE GETTING into a rut with the law says. We need to make an effort to obey the law but let's also hope that we do not grind to a halt trying to be legal.

Our new Senator, Dr. Wallace Miller, told the county commissioners Monday that he had "found" some state money to pave three dirt roads. I think maybe the new Senator is a little mixed up when he says it is for three specific roads. Never before have I seen a state highway director dictate what three roads will be paved in any county. If this money is available, let's get it and pave some more roads. The people of Coffee County have indicated they want roads paved and less personal work done, and one man who advocated borrowing the money to do it with is now fussing because some roads will be paved, WHY?

Letters To Editor

Dear Sir:

I am trying to compile a history of the old Goff family of Dale and Coffee County, and I am hoping that you might be able to assist me by publishing my letter in your paper. I feel that some of your readers just may be able to supply me with some information that I need to complete my history. I am specifically trying to locate some of the descendants of one JOSEPH GOFF, who probably died in Elba around 1911. Records show that he was a Confederate soldier, and his pension records show that he was living in Elba in 1910. He had a brother and a sister who lived north of Elba in the Tartum community in Pike County. The brother was Jesse Goff and the sister was Mrs. Joseph G. Johnston (who was my great grandmother).

I would like to correspond with any of the grandchildren or great grandchildren of Joseph Goff, and I will be most happy to hear from anyone who knows about this sister, Mrs. Sarah Ann Vance, who lived somewhere in Coffee County around 1900.

Thank you for your help in this matter.

Sincerely,
John P. Johnston

Dear Sir:

On behalf of the football team and coaching staff at Brantley High School, I want

NEWS FROM KINSTON with SUE PATTERSON

Open House Scheduled

You are cordially invited to attend a Christmas open house on Wednesday, December 22 at the Kinston Post Office. Serving will begin at 7:00 and continue until 5:00. Everyone is welcome to come by and wish your neighbor a "Merry Christmas."

Rescue Squad Report

The Kinston Rescue Squad made a run on December 14 at 6:15. They carried Mr. R. Kierose to the Coffee General Hospital. His injuries were due to a fall.

Dean's List Released by TSU

James L. Lambert of New Brockton has been named to the Dean's List at Troy State University Dothan/Fort Rucker for Fall Quarter. To achieve recognition on the Dean's List, a student must earn a total grade point average greater than 2.5 (based on 3.0) and for all courses taken during the quarter.

Troy State University Dothan/Fort Rucker is a 6 year liberal arts college serving more than 2,000 commuting students across the wiregrass area.

To thank you for your interest in and extensive coverage of the Brantley Bulldogs during the recent Class A state play-offs. We could not have asked for more generous and thorough write-ups; it means a great deal to a team to have so much interest shown in area newspapers.

We at Brantley High School are grateful for your fine reporting, and all that you did for us will be long remembered.

Sincerely,
Michael L. Sasser
Head Coach

Dear Mr. Cox:

The article written by your sports editor, Ricky Mulaz, in his weekly column concerning the Brantley Bulldogs championship football game was very complimentary to our football team, to our fans, and to our community. We are flattered by his most gracious comments, and we are appreciative to all of you the "Clipper" for your excellent coverage of the Bulldogs.

With people such as Ricky Mulaz and Mike Capps working with your newspaper, I can understand why your paper is a success throughout the Coffee County area. The people of Brantley salute these two young gentlemen for telling the Bulldog story, and I might add, the "Clipper" is catching on fast in the Brantley area.

Thanks again for the support you have given to the PRIDE of Brantley, the BULLDOGS.

Sincerely,
W. B. Smith, Jr.
Mayor

Dear Sir:

I hear that the City Employees are going to get a Christmas present this year, don't they people know that it is against the law to give gifts with us taxpayers money. What about us poor people (mainly the ones without jobs), we could use some of that food they are going to give to the city employees. I can't sign my name. Thank you

EDITOR'S NOTE: You are right about the law, but it is one that is largely ignored throughout Alabama every year. This admitted violation of the law must take a backseat to my amusement at the writers' attempt to appear uneducated. "Them people" probably will agree however, that your typing is as rough as ye ole editor's and I wonder if the "boss" knows you cut off part of a company letterhead to write your unsigned letter! (See Brainstorms for more comments).

TALENTED LADY DISPLAYS CREATIONS

Kinston is very fortunate to have many different talented people living in one area. Among these people is a lovely and talented lady living out on the Kinston-Elba highway. Mrs. Jean Rhoades has lived around this area all her life.

She is a very talented lady in many fields. However, her latest accomplishment is in the field of art.

About one year ago, Jean enrolled in her first art class. She did this not knowing that she had any hidden talent in this field at all. However, Jean excelled in this area. She found that she was gifted in it and another thing was that she loved it.

She has really worked with her paintings and most of her work is done in oils. She has many pieces of her work on display in her home.

In this year's time Jean has sold some nine pieces of her work and has hopes of selling many more. Also during this time she has taken two more short courses in art and hopes to continue with her education in this field in the near future.

Painting is not the only hobby with which Jean works. She also loves to sew. She makes all of her own clothes and most of her daughters. In this she excels also, and has many lovely creations. Jean also loves house plants, flower arranging, and macrame. Crocheting is another area in which Jean is very talented. She has a very pretty agate and has crocheted baby booties for sale in the past.

In every respect Jean is a lovely, talented lady, and the Kinston area is very lucky to have her.

With all of these hobbies, Jean still has the time to enjoy three very active grandsons.

Picture which was painted from an old photo. It shows the house and area where Jean and her husband first lived after their wedding. The picture is proudly displayed in her den, and Jean says this one is not for sale since it is so dear to her family.

She has also painted a picture from an old calendar of the "old Perry Store." It is truly a lovely picture showing a landmark that will always be remembered in this area. This picture is sold and she no longer has it at her home.

Jean also paints cute little things on old keep sakes. She has an old kettle and kitchen scales which she reworked in coordinating colors to match her dining area. This is a lovely unique way to preserve these pieces.

DR. JOHN M. KIMMEY NAMED PAUL HARRIS FELLOW

Robert Cannon, president, reads the plaque to Dr. KimmeY as Mrs. KimmeY (seated) listens on.

Dr. John M. KimmeY was named a Paul Harris Fellow by Rotary International during ceremonies held in November at the Ft. Rucker Officer's Club.

To receive this highly esteemed membership, a Rotarian must be an outstanding person, and a sizeable cash contribution must be made to the Rotary Foundation in his name by friends and fellow Rotary members.

Dr. KimmeY was given this surprise award at the Elba Rotary Club's annual Ladies Night. Presentation of the Paul Harris plaque was made by Robert E. Cannon, Club President.

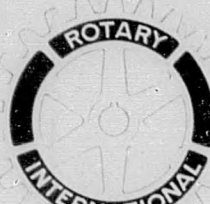

Dr. KimmeY, who was a charter member of the Elba Rotary Club, stated as he received the awards, "I am truly surprised and I know enough about Rotary to know this is quite an honor."

Mr. Ralph Dickert, past District Governor of the Rotary Foundation and a sponsor of the original Elba Rotary Club, (left), and Mrs. KimmeY admire the Paul Harris pin Dr. KimmeY received.

Mr. Bill Neville of Eufaula, District Chairman of the Rotary Foundation, pins award on the surprised honored guest.

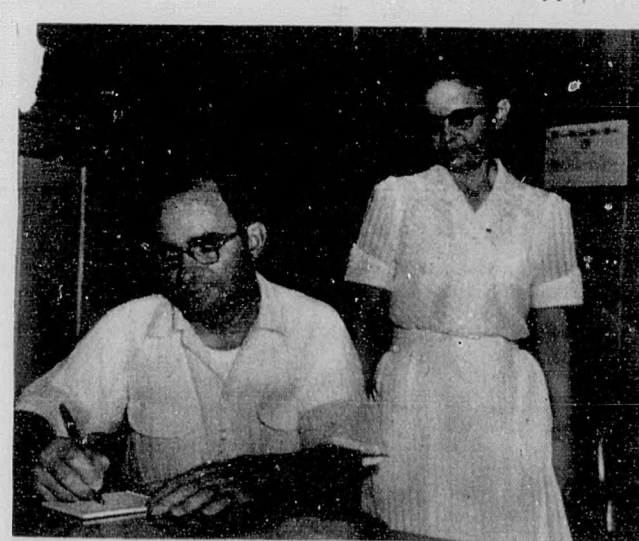

Dr. John M. KimmeY, a native of Elba and a graduate of Barnes High School, Montgomery, began his medical career in 1926 upon entering pre-med at the University of Alabama. He was graduated from Emory University, Atlanta, in 1928. A highly educated man, Dr. KimmeY received his Masters degree in Public Health from Harvard in 1935, and during his military career he studied at Princeton and Columbia Universities.

He was married to the former Ida Anderson of Montgomery in 1927, and to them were born two sons. John KimmeY, III was killed as the result of a motor scooter accident while he was a student in college, and Andy KimmeY resides in Atlanta. Dr. and Mrs. KimmeY are the grandparents of four grandchildren.

Prior to the war, Dr. KimmeY held the position of Public Health Officer for the State Public Health Department in Calhoun County.

He began his military career in December of 1942. He entered the United States Navy as a Lieutenant Commander and his first overseas assignment was in Okinawa, 1944. He states, "due to four and a half months of being in the hospital, I lost 35 pounds." In December of 1946 Commander KimmeY ended his military career and returned "home" to Elba to open his own medical practice.

Dr. KimmeY is shown with his nurse shortly after the October, 1952 opening of the John KimmeY Memorial Clinic.

The doors of the John KimmeY Memorial Clinic were opened in October of 1952. An elaborate open house was held with approximately 200 Elba folks attending.

Primarily set up to handle obstetrical cases, the clinic had three bedrooms for patients, a modern delivery room (also adequate for minor surgery) and a nursery for the babies. Dr. KimmeY practiced the delivery of babies in his clinic until the opening of the Elba General Hospital.

After 30 years of providing medical service to Elba residents, Dr. KimmeY is still open and practicing medicine in his clinic located on Putnam Street. The clinic was erected on property that has been in the KimmeY family for generations.

Dr. John M. KimmeY has been an asset to the City of Elba, other than his medical practice. He was a charter member of the Elba Rotary Club; served on the school board; served as president of the Coffee County Medical Society; served on the Coffee County Board of Sentences; and is an active member of the Elba First Baptist Church where he serves as a Deacon and Sunday School teacher.

Indeed, Elba should be grateful to this fine man for his generous contributions to our community.

Dr. KimmeY served with the U. S. Navy from December 1942 - December 1946, returning to Elba to open his own medical practice in 1946.

A native of Elba, Dr. KimmeY received his pre-medical schooling at the University of Alabama. He graduated from Emory University, Atlanta in 1928.

From Our Early Files we located the "picture of the past" of Dr. KimmeY and Mrs. KimmeY as they show off the patio of their home, located on the Elba-Enterprise highway.

Dr. KimmeY was a Commander in the Navy and is shown with his first camp which was located in Okinawa. The year was 1944 and Dr. KimmeY (center) explains his skinmines as the result of "fear and hunger".

FHA Plans Service Projects

The FHA members at Zion Chapel made baskets of food for the Senior adults in our community for their Thanksgiving Project. The baskets contained fruits, canned goods, crafts, and other items that might have been needed. They will have several projects at Christmas and one of those will be to make baskets for the Senior adults in our community for their Thanksgiving Project.

7th And 8th 4-H Girls Meet In Mrs. Bryans Room

The 7th and 8th grade girls held their 3rd meeting Dec. 7, 1976, in Mrs. Bryan's room. The meeting was called to order by Melinda Sanders. We then sang songs led by our song leaders, Melinda Whittington and Vickie Ellison. Next we repeated the pledge to the American and 4-H flags. Cheryl Bogar, then called the roll and read the minutes of our last meeting. Our business was to take up the posters. Mrs. Coffee gave the girls that

WHAT IF . . .

Norma didn't get hurt in P.E. everyday.
Miss Smith had a kitten instead of a puppy.
Mr. Grant taught English instead of Biology.
The tenth grade didn't have to take the achievement test.
The Z.C. Rebels were orange and blue instead of red and gray.
Mrs. Powell said, "Adults will play" instead of "Children will play".
C.C. had a Christmas dance.
The 77 Rebel yearbook never came.

Heed These Holiday Safety Tips

Every year millions of Americans take to the road to share traditional holiday dinners and cheer with friends and loved ones. Unfortunately, some visitors never return home. Travel is only three percent higher over holiday periods, yet the death rate averages 11 per cent higher.

During last year's extended Thanksgiving weekend, 496 people were killed on the nation's highways, and, during the 1975 Christmas holiday, 204 people met with the same fate. It doesn't have to be this way, reminds Royal-Globe Insurance Companies.

When driving always use safety belts, keep within posted speed limits and reduce speed on snowy, icy or rain slick roads. You may arrive a little later, but you will arrive.

If fog develops, slow down, and put your lights on low beam, so those in front and behind can see you. Low beams make it less likely that you will be blinded by the bright reflection from your own lights.

Winter weather conditions in many parts of the country make driving hazardous. When you leave for holiday festivities, be prepared! Take the time before your trip to check your car. Make certain there is adequate antifreeze in both your radiator, and windshield wipers. Examine your battery, front and rear defrosters, head and taillights, directional signals and other accessories that will ease the task of hazardous winter driving. You should also carry an emergency first aid kit, and when you find it necessary to pull off the road for any reason, place a set of flares around your car to alert other motorists.

If you must use snowy or icy roads, be equipped with snow tires or tire chains. A bag of sand in the car and a shovel may also be helpful. For slowing or stopping in snow, ice or rain, motorists should pump the brakes lightly, thereby increasing traction and lessening the chance of skidding.

Alcohol continues to be the cause of many fatal accidents. If you must drink, don't drink. Motorists should also be alert for pedestrians, especially when winter days become shorter. Remember that slippery conditions also make walking more difficult. When leaving home to live this holiday season, use your head. Think ahead. Think about returning home safely.

Getting a newspaper together each week is not an easy job. It takes time to get stories and pictures and other items lined up. It also takes time to teach someone new how to do the job properly each week. The Journalism Class, who is also in charge of preparing the yearbook, has selected two people who will be in charge of getting the newspaper ready. Those two people are Lia Lowery and Kaye Cottrell. Lia and Kaye will be happy to have any article that anyone wants to turn in.

Saturday was the first day prep footballers could sign college scholarships included several from the local area.

COLLEGE SIGN'EM UP

Probably the most talked about player in this area was Andalusia's Bobby Johnson, a muscular 5-11, 210-pound fullback, rushed for 500 yards during his prep career, and was expected to sign with a major college. Well, Johnson signed Saturday with the University of Southern Mississippi.

Brantley's Lester Mitchell, in need with Alabama State University, Mitchell, at 6-3, 195-pounds, possesses the size needed for college ball, and should fit into the Hornets' plans very well.

Major Ogilvie, the most highly recruited prepster in the state, surprised no one by signing with Alabama. Ogilvie, who rushed for 2500 yards and scored 30 touchdowns this season, was offered scholarships by over 60 schools before picking Bama.

Troy State University picked up two outstanding running backs in Tank Summers and John Anthony. Summers, a 6-3, 215-pound fullback, rushed for 1300 yards this season at Lanett, while Anthony, a 6-1, 210-pounder, rushed for 1200 yards in leading Florida to the S.A.C. title.

Jerry Beasley, the pride of the private schools, made Auburn coach Doug Barfield ecstatic when he inched with the Tigers. Beasley, who runs a 4.5 40-yard dash, rushed for over 2000 yards during the '76 season, and tallied over 60 touchdowns during his prep career.

Auburn also signed a top-notch QB in Georgiana's Leo Campbell, and an all-state runner in Cottonwood's Tony Hardwick. Campbell, a 6-3, 185-pounder, was a three-year starter for the Panthers, and rushed for 2700 yards during his career. Hardwick, a 6-2, 200-pounder, averaged 10 yards per carry this season, and should be a welcomed addition for Auburn's lackluster running game.

Other local signing pacts included: Grant Culliver, 6-3, 210-pound end from Brewton (Sou. Miss.); Ron Brown, 6-1, 205-pound linebacker from Brewton (Sou. Miss.); and Jim Messer, 6-1, 180-pound end from Geneva (Livingston).

PREP BASKETBALL IS ROLLING ALONG

The high school basketball season is in full gear, and it appears the teams to beat are Dothan (AA), Eufaula (2A), Andalusia (3A), Headland (2A), Floria (2A), Red Level (1A), New Brockton (1A), and Kinston (1A).

Dothan, led by 6-8 Carl Mitchell and 6-7 James Smith, has totally demolished all opposition and could be the South's true powerhouse.

Eufaula has jumped out to a quick 9-0 record, and has averaged nearly 90 points a game in the process. The Tigers are quick, and could dethrone Andalusia in the 3A classification.

Andalusia got off to a late start due to their football team's success, but have rolled to three straight wins, and appear strong as always.

In the 2A ranks it looks like a rematch between Headland and Floria. Headland's Rams are off to a 7-1 start, and in their last game rolled over Rehobeth 97-25.

Floria got off to a slow start, but have won three straight and appear solid. The Wildcats have two outstanding players in Johnny James and Herman Owens, and should win a lot of games.

South Alabama is again loaded with Class A talent. Probably the pick of the crop is Red Level. The Tigers return three starters from last year's 27-3 team, including 6-4 forward Willie Tolbert, who is averaging 24.2 points per game. Other returnees are 6-7 William Hendrix and 6-3 Virgie Ball.

New Brockton got off to a 2-3 start, but are now rolling. Coach Andy Harris boasts three "super" players in Fred Pruitt, Ray McClain, and James Edwards, and you can bet the Gamecocks will get together as the season progresses.

My pick as the "surprise" team in Class A are the Kinston Bulldogs. Kinston owns a 6-1 record, and have the overall talent to battle anybody. The Bulldogs are superbly coached by Pete Kelley, and could pull a few surprises before the season is over.

Before my friends in Brantley get upset I'd better mention their team. The Bulldogs have two "sharp-shooters" in Willard Kendrick and Aaron Bogen, and have enough muscle inside to rebound against anybody. Brantley's football success will definitely hold over onto the basketball court, and the Dogs could make the playoffs in roundball too!

POLISH PICKINS

The bowl games are right around the corner, and this week I'll venture a prediction on the Liberty Bowl.

ALABAMA - U.C.L.A. Alabama may have a Bear, but U.C.L.A. has got a team full of Bruins. The Tide bites the dust.

U.C.L.A. 27 - BAMA 10

NEW HOPE

The New Hope Junior High Wildcats upped their record to 7-1 on Monday night by

blasting Kinston 104-66, in New Hope.

The Wildcats, led by the 46-point performance of Byron Foley, jumped into a 25-12

first quarter lead and never looked back as they raced to the win.

New Hope coach Charles Cole called the win "our best effort of the year."

"We moved well on offense," said Cole, "and shot real well from the outside I hope we're finally beginning to put it together."

After grabbing the big lead in the opening stanza the Wildcats poured in 28-second quarter points to take a 27-34

halftime bulge.

The second half was a replay of the first, with New Hope blowing the Bulldogs off the court.

★★★★

Elba's Terry Barnes (34) is trapped under the basket by Brantley's aggressive defense. Barnes scored 16 points in the Tigers 66-60 loss to the Bulldogs.

Larry Phillips Named All-SAC

The All-South Alabama Conference Football team was named last week, and for the second straight year the honorable-mention

list included the name of Elba running-back Larry Phillips.

Phillips, a 6-0, 190-pound tailback, rushed for 1030 yards during the 1976 season while averaging over 8 yards per carry. Phillips was named to the All-SAC squad as an offensive-back, and received

honorable-mention on defense as a linebacker.

Other Elba players receiving honorable-mention were: Mickey White-guard; Shane Bullard-linckle; Terry Barnes-end; Russ Calab-quarterback; Steven Harrison-defensive back; Johnny Dyess-defensive back; James Smith-linebacker; Win Westbrook-linebacker and Steve Wright-defensive tackle.

New Hope Ups Record To 7-1 - Blasts

Kinston 104-66

The New Hope Junior High Wildcats upped their record to 7-1 on Monday night by blasting Kinston 104-66, in New Hope.

The Wildcats, led by the 46-point performance of Byron Foley, jumped into a 25-12 first quarter lead and never looked back as they raced to the win.

New Hope coach Charles Cole called the win "our best effort of the year."

Elba Upsets Enterprise 75-73 In Overtime

The Elba Tigers claimed their biggest win of the young season last Friday night when they upset the Enterprise Wildcats 75-73, in overtime.

Enterprise came into the game with an 0-2 record, but was a solid favorite to claim their initial win over the 3-3 Tigers.

The opening stanza was a see-saw affair, with the lead changing hands 12 times. Elba nosed ahead 21-17 after one quarter of action, but saw their lead evaporate under a Wildcat rally.

Enterprise outscored the Tigers 16-2 during a three-minute span in the second period, and at the half owned a 37-25 advantage.

Elba began to chip away at the Wildcat lead in the third stanza and pulled within two-points at 37-37. However, Enterprise rallied in the quarter's waning sec-

onds to pull away to a 53-45 lead with only eight minutes left in the game.

With two minutes left in the game the Wildcats enjoyed a 65-57 advantage and appeared to have the game wrapped up.

However, the Tigers scored three straight buckets to knot the score at 65-65 and pulled Enterprise into overtime.

The Tigers grabbed a quick four-point lead in the extra period, but needed a last second bucket by Larry Phillips to claim the win.

Elba (75): Phillips 4, Daniels 20, Goosby 11, Barnes 25, Smith 13, Martin 2, Eprisse (73), Townsend 6, Borders 12, Wilkinson 16, Thompson 8, Scott 9, Coone 11, Plyler 9, Mason 2.

(B Game: Enterprise 52 Elba 24)

Brantley Bops Tigers 66-60

The Brantley Bulldogs ousted the Elba Tigers from the Andalusia Christmas Tournament on Monday night when they handed the Tigers a surprising 66-60 setback.

The win upped Brantley's record to 2-0, while the loss evened Elba's slate at 4-4.

Brantley jumped into a 2-0 lead on a jumper by Aaron Bogen and led until Elba grabbed a 7-6 advantage midway through the opening stanza.

The Tigers pulled away late in the quarter, and took a 15-10 lead after one period of play.

Elba's Chip Goosby hit a jump-shot from the corner with 5:45 left in the half to give the Tigers a 20-14 lead.

It appeared Coach Mance Daughtry's cagers were headed for another win.

The team's swapped buckets for the remainder of the quarter, and at halftime Elba held a 29-25 lead.

Brantley got their offense cranked up in the third quarter and outscored Elba 23-9 to take a commanding 48-38 lead.

The Dogs took the lead at 37-36 on a jumper by

Alttwood Kendrick, and never let the favored Tigers catch up.

Elba rallied midway through the final period behind the hot hand of James Ray Daniels, and pulled within two-points at 56-54 with 3:40 left in the game.

The Tigers were forced to foul the Bulldogs in the closing minutes, but Brantley hit on 8 of 8 free throw attempts in the final three minutes to ice the victory.

B 10 15 23 18-66

E 15 14 9 22-60

Brantley was led in scoring by Willard Kendrick with 30 points, and Aaron Bogen with 21 points.

The Tigers were paced by Terry Barnes and Chip Bogen with 16 and 12 points, respectively.

Brantley (66): Bogen 21, Mitchell 4, A. Kendrick 11, W. Kendrick 30.

Elba (60): Phillips 6, Daniels 11, Goosby 12, Barnes 16, Smith 10.

After completing the 1976 season without a single victory behind the wheel of Penke's Mercury, Allison began his own AMC Matador on the 1977 NASCAR Winston Cup Grand National circuit.

Also working with the Elba Middle School 4-H clubs are these 4-H volunteer leaders: front row, left to right, Mrs. C. W. Mobley, Mildred Jolly, Ann Messer and Pam Baker. Back row, left to right, Nellie Johnson, Doris Kelley, Carolyn Kelley, and Henrietta Grimes. Not pictured, but working with 4-H clubs at the Elba Middle School are, Mrs. Earl Stinson, Nancy Morris, Kathy Cowan, Kathy Smith, Anita Mobley, Stephanie Johns, Charles Ray, Deloris March, Ann Tucker and Tony Johns.

Coffee Cakes Gold Key 4-H Fraternity initiates new members. These members are from left: Chris Sessions, Kinston; Byron Foley, New Hope; Frances Foy, Enterprise; Ricky Drumman, New Hope; and Greg Johnson, Elba.

4-H volunteers working with 4-H clubs in the New Hope School are, front row, left to right, Mildred Carter, Phyllis Carter and Jessie Merle Lewis. Also working with 4-H clubs at New Hope, but not pictured are Jan Bass, Diane Smith, Betty Foley, Theda Sanders, Virginia Sanders and Mrs. A. W. Wilson.

KILLINGSWORTH

Mrs. Killingsworth's 4-H held its monthly meeting on Tuesday, December 7, 1976. The meeting was called to order by the president, McCall, second place, Kathy Tucker, third place, Gina Donaldson, and fourth place, Stephanie Smith. Tiffany Harp, Tom Hudson, Tina Thigpen, and Crystal Cardwell, the vice-president, Sherri Kennel, led the pledges to the American and 4-H flags.

The devotion was given by the devotion leader, Stanley Barnes. Our secretary, Ricky Lovorn, called the roll and read the minutes of the last meeting. The minutes were approved. The old business was to take up muffs, essays, and posters. The new business was to talk about the junior baked goods exhibit and the 4-H woodworking exhibit.

The vice-president introduced the program "Christmas Safety," which was given by Mrs. Parker. After the program the meeting was adjourned until next month at the same time and place. The winners of the muffin contest were then announced. They are: 1st place-Ricky Lovorn, 2nd place-Kim Whitman, 3rd place-Mary Adams. The game leaders then led us in a game.

NEWS OF HEALTH

"How often should a parent take his child for an eye examination?"

According to experts at The National Society for the Prevention of Blindness, the answer is: Shortly after birth and again by age 3, then on a periodic basis throughout his growing years.

Among the 3- to 5-year age group, one child in 20 has some kind of eye problem; after they enter school the incidence jumps to one out of every four. That's why regular checkups are essential.

To better understand the vision problems that can affect a child—and ways a parent can detect them—free booklets and tests are available by writing to The National Society for the Prevention of Blindness, 519 Madison Avenue, New York, N.Y. 10016.

Srs. Of The Week
Danny Morris, Debra Hammonds, Beverly Kelley, Geoffrey Parker.

EDITORIAL

The department Santas are at it again, ho-ho at the kids and patting them with fatherly affection on their little heads. Try to buy a gift in some people-to-people covered store and get stuck with some dumb clerk who never heard of sizes and doesn't know how to wrap a simple package.

Then, come home to be greeted by the same old tree, turn on the radio to hear the same old carols, hide the gifts in the same places, and send out cards to the same people.

It's the same thing over and over again; the same kind of puns from the family, the same childish stockings hung up, the same candy, mistletoe jokes, and the same colored lights.

EDITOR

FHA Has Christmas Party

The FHA Chapter held their annual Christmas party Thursday, December 2. The members enjoyed many different refreshments and punch. To get into the Christmas spirit, everyone sang Christmas songs, drew numbers for prizes, and a toast to Mrs. Young and Mrs. Coleman for their hard work and interest in the organization. Everyone enjoyed the party and a touch of Christmas spirit.

EDITOR'S NOTE

My apologies for such a short issue this week. It seems that all of the articles I had prepared were in the notebook which was removed from my desk. I hope whoever got it enjoyed the articles because there were a lot of good ones. Oh well... I'll try again next week.

SCHOOL IS

...Trying to stay awake in Modern Drama.
...Being 1/2 minute tardy to homeroom.
...Doing everything at the last minute.
...Not being able to go to a movie because of a big test for the next day.
...Freezing in the parking lot before homeroom and at lunch.

...Finding excuses to get out of class.
...Forcing your parents signature on an excuse!
...Being in a good mood on Fridays (especially the last day before Christmas holidays).
...Sitting in class, wishing it would snow.
